NOTICE REGARDING REEXAMINATIONS OF PARENT APPLICATIONS

To Whom It May Concern:

Applicants hereby notify the Examiner that two parent applications of the above-identified patent application are undergoing reexamination. Specifically, the above-identified patent application claims priority (directly or indirectly) to, among other patents or applications, US Patent No. 6,624,648 and US Patent No. 6,615,485 both of which are currently undergoing reexamination. The USPTO assigned control number for the reexamination of US Patent No. 6,624,648 is 95/000,375; the USPTO assigned control number for the reexamination of US Patent No. 6,615,485 is 95/000358.

The Examiner's attention is directed to the two above-identified reexaminations including the prosecution history of and the prior art cited in these reexaminations. Applicants assume the Examiner has access to all of the prosecution history, including the cited prior art, of these reexaminations. Applicants therefore do not provide copies with this Notice. Applicants will provide, however, copies of all or any part of the prosecution history of or prior art from either of these reexaminations upon request by contacting the undersigned at (801) 426-2106.

Respectfully submitted,

Date: February 9, 2009
